

Revised Notice of Public Hearing

January 28, 2005

Ref. 2005-H-4
Revision

The Canadian Nuclear Safety Commission (CNSC) announces a change in the date for a one-day public hearing on the mid-term performance of the Cameco Corporation Blind River Uranium Refining Facility, located in Blind River, Ontario. The Hearing will no longer take place on February 23, 2005 as originally announced. The Hearing will now take place on:

One-Day Hearing: February 24, 2005

Place: CNSC Public Hearing Room, 14th floor, 280 Slater Street, Ottawa, Ontario

The mid-term status report was requested by the CNSC following a public hearing held in January 2002 on the renewal of the licence. The licence was renewed for a period of five years. The performance report will address the protection of the environment, the health and safety of persons, and the maintenance of national security and measures required to implement international obligations to which Canada has agreed.

Public hearings begin at 8:30 a.m. and follow the order listed in the agenda published prior to the hearing dates.
