Ref. 2007-H-08  
Revision 1

The Canadian Nuclear Safety Commission (CNSC) will hold a one-day public hearing on the application by SRB Technologies (Canada) Inc. (SRBT) for an amendment to its Nuclear Substance Processing Facility Possession Licence for its facility located in Pembroke, Ontario.

SRBT has applied for authorization to receive tritium filled light sources for assembly and sale of radiation devices.

One-Day Hearing: April 12, 2007

Place: CNSC Public Hearing Room, 14<sup>th</sup> floor, 280 Slater Street, Ottawa, Ontario

Public hearings follow the agenda published prior to the hearing date.

**SRBT and CNSC staff's submissions to be considered at this hearing are available by contacting the Secretariat.**

The public is invited to comment on SRBT's application for a licence amendment by providing a written submission. There is no opportunity for the public to make an oral presentation at the hearing; however, the public is invited to observe the proceeding. **The deadline to submit a request to intervene has been extended to March 30, 2007.** Thus requests to intervene must be filed with the Secretary of the Commission by **March 30, 2007** at the address below. The request must include the following information, as per the *CNSC Rules of Procedure*:

- a written submission of the comments to be presented to the Commission; and
- name, address and telephone of the requester.

Agendas and information on the hearing process are available at the CNSC Web site: [www.nuclearsafety.gc.ca](http://www.nuclearsafety.gc.ca). Hearing documents (submissions) are not available on-line and must be requested through the Secretariat at the address below:
