

Notice of Public Hearing

April 11, 2008

Ref. 2008-H-07

The Canadian Nuclear Safety Commission (CNSC) will hold a two-day public hearing on the application by Cameco Corporation (Cameco) to renew its operating licence for the Key Lake uranium mill located in northern Saskatchewan. Cameco has requested a five-year licence term.

The current licence authorizes Cameco to operate a uranium mill and waste management systems, and the associated site facilities to support this operation.

Hearing Day One: June 10, 2008

Place: CNSC Public Hearing Room, 14th floor, 280 Slater Street, Ottawa, Ontario

Hearing Day Two: September 17, 2008

Place: Delta Bessborough, 601 Spadina Crescent East, Saskatoon, Saskatchewan

The public hearing will be webcasted live on the Internet via the CNSC Web site. Public hearings follow the agenda published prior to the hearing date.

CNSC staff and Cameco's submissions to be considered at Hearing Day One will be available after May 12, 2008. The public is invited to comment on Cameco's application on Hearing Day Two. Requests to intervene must be filed with the Secretary of the Commission by August 18, 2008 at the address below. The request must include the following information, as per the *Canadian Nuclear Safety Commission Rules of Procedure*:

- a written submission of the comments to be presented to the Commission;
- a statement setting out whether the requester wishes to intervene by way of written submission only or by way of written submission and oral presentation; and
- name, address and telephone of the requester.

Agendas and information on the hearing process are available at the CNSC Web site: www.nuclearsafety.gc.ca. Hearing documents (submissions) are not available on-line and must be requested through the Secretariat at the address below:
