

Notice of Public Hearing

August 27, 2008

Ref. 2008-H-16

The Canadian Nuclear Safety Commission (CNSC) will hold a two-day public hearing on the application by Cameco Corporation to renew its licence to possess, manage and store nuclear substances associated with the past operations of the decommissioned Beaverlodge mining and milling facility. Beaverlodge properties are located near Uranium City, Saskatchewan. Cameco has requested a five-year licence term.

In addition, Cameco will make an application to the Province of Saskatchewan to have certain minor satellite properties accepted into their institutional control program governed by their *Reclaimed Industrial Sites Act*. Therefore as part of this licensing application, Cameco is also requesting that Appendix A of its nuclear substance possessing licence be amended accordingly to exempt these minor satellite properties.

Hearing Day One: November 5, 2008

Place: CNSC Public Hearing Room, 14th floor, 280 Slater Street, Ottawa, Ontario

Hearing Day Two: January 14, 2009

Place: CNSC Public Hearing Room, 14th floor, 280 Slater Street, Ottawa, Ontario

The public hearing will be webcasted live on the Internet via the CNSC Web site. Public hearings follow the agenda published prior to the hearing date.

CNSC staff and Cameco's submissions to be considered at Hearing Day One will be available after October 6, 2008. The public is invited to comment on Cameco's application for its licence renewal on Hearing Day Two. Requests to intervene must be filed with the Secretary of the Commission by December 15, 2008 at the address below. The request must include the following information, as per the *Canadian Nuclear Safety Commission Rules of Procedure*:

- a written submission of the comments to be presented to the Commission;
- a statement setting out whether the requester wishes to intervene by way of written submission only or by way of written submission and oral presentation; and
- name, address and telephone of the requester.

Agendas and information on the hearing process are available at the CNSC Web site: www.nuclearsafety.gc.ca. Hearing documents (submissions) are not available on-line and must be requested through the Secretariat at the address below:
