The science behind safe nuclear waste disposal: decades of research

- **Used Nuclear Fuel Project**
  - Regulatory research program
  - Begins
  - Atomic Energy Control Board (AECB)

- **Nuclear Fuel Management Program**
  - The science behind safe nuclear waste disposal: decades of research

  - The AECB participates in, underground research laboratory in Ontario, Quebec and New Brunswick.

- **1978**
  - Government Agencies:形
  - The Seaborn Panel is established to independently review results of the AECL concept has been on a technical perspective, safety conclusions, based on multiple lines of evidence, is that geological deep geological disposal has not been demonstrated to have broad impact.

- **From 1996 to 1997,**
  - Proceedings with site selection. The AECB proceeds with site selection.

- **2002**
  - NWMO recommends an adaptive assessment (EA) for the DGR project. The CNSC publishes regulatory assessment (EA) for the DGR project. The CNSC publishes regulatory assessment (EA) for the DGR project.

- **2006**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2010**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2012**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2015**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2016**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2017**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2018**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2019**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2020**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2021**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2022**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2023**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2024**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2025**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2026**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2027**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2028**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2029**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2030**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2031**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2032**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2033**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2034**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2035**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2036**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2037**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2038**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2039**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2040**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2041**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2042**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2043**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2044**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2045**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2046**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2047**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2048**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2049**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2050**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2051**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2052**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2053**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2054**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2055**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2056**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2057**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2058**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2059**
  - CNSC publishes regulatory assessment (EA) for the DGR project.

- **2060**
  - CNSC publishes regulatory assessment (EA) for the DGR project.
