The personal information you provide on this form is collected under the authority of section 25 of the *Nuclear Substances and Radiation Devices Regulations* for the purpose of replacing exposure device operator (EDO) certification cards and establishing a registry of EDOs certified to operate exposure devices in Canada. Personal information may be disclosed to Natural Resources Canada. Information may be used to evaluate program delivery, inform policy decisions and report to senior management. An inventory of certified exposure device operators may be published on the CNSC website. Failure to provide this personal information may result in your request for a replacement certification being delayed or refused. You have the right to the correction of, access to, and protection of, your personal information under the *Privacy Act* and to file a complaint with the Privacy Commissioner of Canada about the handling of your personal information. Personal information collected on this form is described in the Exposure Device Operator Certification Personal Information Bank CNSC PPU 060 and can be accessed and assessed for accuracy. For more information visit [Info Source](#).
