- a statement of completion of an apprenticeship program from a licensee
- a statement of successful completion of the practical examination from a licensee or a recognized institution
- alternatives to the education, training and experience above

Declaration of Medical Fitness and Consent to Keep Personal Information

I hereby certify that, to the best of my knowledge, I have no known medical conditions that could unreasonably impair my ability to operate an exposure device safely.

Furthermore, I hereby give my consent to the Canadian Nuclear Safety Commission (CNSC) to keep and share with the Non-destructive Testing (NDT) Certifying Agency of NRCAN, and with my employers, information on my qualifications or other information on which a decision on my certification or decertification as an Exposure Device Operator may be made. I understand that personal information kept by the CNSC is protected under the *Privacy Act*, is retained in the Personal Information Bank CNS PPU 060, and cannot be disclosed to other parties without my written consent. I also understand that Sections 24 to 29 of the *Nuclear Substances and Radiation Devices Regulations* and Sections 21(e) and 22 of the *CNSC Cost Recovery Fees Regulations* apply to the certification process for exposure device operators.

Signature: _____ **Date:** _____ / _____ / _____
Month Day Year
