Dear Mr. Torrie:

**Re: CELA'S comments on REGDOC-2.13.1, Safeguards and Nuclear Material
Accountancy**

Thank you for the opportunity to comment.

Several of the licensees in their comments have requested an industry-CNCS workshop on *REGDOC-2.13 Safeguards and Nuclear Material Accountancy*. CELA recognizes the benefits of a workshop. However, we recommend that any such workshop be open to a range of stakeholders and public interests, including organizations such as CELA, and not restricted to industry and the CNCS.

Please feel to contact us at your earliest convenience if you have any questions regarding our comments.

Yours truly,

CANADIAN ENVIRONMENTAL LAW ASSOCIATION
