Subject: Proposed shipment of HEUNL ChalkRiver to Savannah

To CNSC Tribunal Members,

Having grown up in the Niagara Peninsula myself and tied up grapes and suckered them as a young woman I urge you to not allow the transport of HEUNL through this specialty growing area.

One mishap or compromise of a shipment has the potential to make 'Niagara Wine Country' a byword, and wipe out the main economic driver. There is no rehabilitation for a contaminated water source which quenches the tender fruit.

The risk outweighs the benefits.

Sincerely,
