Minutes of the Canadian Nuclear Safety
Commission Meeting held on Friday March 1, 2002

On March 1, 2002, the Canadian Nuclear Safety Commission held a meeting on the matters set out in the agenda CMD 02-M8.A. The meeting was held in the Public Hearing Room, CNSC Offices, 280 Slater Street, Ottawa, Ontario.

The following corrections are made to the Minutes of the meeting that were approved by the Commission on April 2, 2002:

The following paragraph is hereby added following paragraph 29,

29.1 “The Members request staff to modify the reference to the decommissioning plan in sections 7.0 and 9.2 of the draft EA Guidelines as set out in the decision statement attached as Annex B to these minutes”.

The following sentence is hereby added to paragraph 41,

“In this regard, the Members requests CNSC staff to modify section 9.2.1 of the draft EA Guidelines as set out in the decision statement in Annex C to these minutes.”

The designation for “ACTION” is hereby removed from paragraph 45.

In paragraph 53, the sentence:

“The Members request staff to modify the reference to the decommissioning plan in section 7.0 of the draft EA Guidelines as set out in the decision statement attached as Annex C to these minutes”,

is hereby replaced with,

“The Members request staff to modify the reference to the decommissioning plan in sections 7.0 and 9.2 of the draft EA Guidelines as set out in the decision statement attached as Annex C to these minutes”.

In paragraph 62, the sentence,

“Cameco explained its proposal to affix to each visible surface of the containers, in addition to the placard required by the *Transport of Dangerous Act*, a non-conforming placard which contains generic information on the contents and nominal grade concentration of Cl₃O₈.”

is hereby replaced with,

“Cameco explained its proposal to affix to each visible surface of the containers, in addition to the placard required by the *Transport of Dangerous Goods Act*, a non-conforming placard which contains generic information on the contents and nominal grade concentration of U₃O₈.”

ANNEX B

The sentence,

- “References to a “conceptual decommissioning plan in section 7.0 (Scope of the Project) and section 9.2.2 (Spatial and Temporal Boundaries of the Assessment) are replaced with references to a “preliminary decommissioning plan”.

is hereby replaced with,

- References to a “conceptual decommissioning plan in section 7.0 (Scope of the Project) and section 9.2 (Specific Information Requirements) are replaced with references to a “preliminary decommissioning plan”

ANNEX C

The following required change to the draft Environmental Assessment Guidelines for the Iter Project is hereby added to Annex C:

- References to a “conceptual decommissioning plan in section 7.0 (Scope of the Project) and section 9.2 (Specific Information Requirements) are replaced with references to a “preliminary decommissioning plan”.

The sentence: “The last sentence in section 9.2.1 (Project Description) is replaced with,…”

is hereby replaced with,

“The last sentence of the first paragraph in section 9.2.1 (Project Description) is replaced with,…”

Marc A. Leblanc
Secretary,
Canadian Nuclear Safety Commission
