# *Notice of Public Hearing*

---

July 8, 2015

Ref. 2015-H-05

The Canadian Nuclear Safety Commission (CNSC) will hold a public hearing to consider the Saskatchewan Research Council's (SRC) application for the release of the Gunnar Remediation Project Phase 2 hold point regarding the design plan and options for the remediation of the tailings deposits at the Gunnar Legacy Uranium Mine site, located in Northern Saskatchewan.

Following a public hearing in November 2014, the Commission [granted the SRC a 10-year licence](#) for the Gunnar Remediation Project. The Commission must now approve the SRC's remediation option plans for the tailings deposits prior to allowing them to carry out these activities at the Gunnar Legacy Uranium Mine site. The design plans and options for the Phase 2 remediation of parts other than the tailings deposits will be considered at a later date.

Hearing date: September 30, 2015

Place: CNSC Public Hearing Room, 14th floor, 280 Slater Street, Ottawa, Ontario

Time: As set by the agenda published prior to the hearing date

The public hearing will be webcast live and then archived for 90 days on the CNSC website at [nuclearsafety.gc.ca](http://nuclearsafety.gc.ca).

Members of the public who have an interest or expertise in this matter or information that may be useful to the Commission in coming to a decision are invited to comment, in writing, on the SRC's remediation plan submission. Requests to intervene must be filed with the Secretary of the Commission by August 19, 2015, online at [nuclearsafety.gc.ca/eng/the-commission/intervention](http://nuclearsafety.gc.ca/eng/the-commission/intervention) or through the coordinates below. Pursuant to the *Canadian Nuclear Safety Commission Rules of Procedure*, **the request must include the following information:**

- a written submission of the comments to be presented to the Commission; and
- the name, address and telephone number of the requester.

Personal information, such as address and telephone numbers, is essential for linking the submission to its author. Please submit your personal information on a separate page if you wish to ensure its confidentiality. It should be noted that all submissions are available to the public on request to the Secretariat.

SRC's submission to be considered at the hearing will be available after July 8, 2015 and CNSC staff's submission will be available after September 2, 2015. These documents are not downloadable. To obtain them, a request must be made to the Secretariat at the address below or from the website. Agendas, hearing transcripts and information on the hearing process are available on the CNSC website at [nuclearsafety.gc.ca](http://nuclearsafety.gc.ca).
