

Notice of Continuation of Commission Meeting Item with Opportunity to File Supplementary Written Submissions

December 21, 2016

Ref. 2016-M-08

Risk-informed assessment of CANDU safety issues

During a public meeting in August 2016, Canadian Nuclear Safety Commission (CNSC) staff presented the Commission with a technical briefing, CMD 16-M34, *Risk-informed Assessment of CANDU Safety Issues*. Members of the public were invited to comment on this meeting item and three written interventions were received.

In light of the technically complex nature of the issues identified in the interventions, the Commission has decided to continue this meeting item at a later date.

The Commission has directed CNSC staff to file a supplementary written submission that provides the dispositions of the technical points raised in the following interventions:

1. CMD 16-M34.1
2. CMD 16-M34.2
3. CMD 16-M34.3

The Commission also formally invites, by way of this notice, the three intervenors in this matter to respond to CNSC staff's dispositions and to submit

- supplementary written submissions only, or
- written submissions accompanied by an oral presentation.

Written submissions must be filed by **January 31, 2017**, using the [online request form](#) or following the coordinates below. Submissions must include the author's name, address and telephone number and indicate whether the person plans to present verbally.

The Commission will consider the supplementary submissions at a public meeting on March 8 or 9, 2017.

Date: March 8 or 9, 2017
Place: CNSC public hearing room, 14th floor, 280 Slater Street, Ottawa, ON
Time: As set by the agenda, to be published prior to the meeting date

The public meeting will be webcast live and available for 90 days on the CNSC website at nuclersafety.gc.ca.

All submissions are available to the public on request to the Secretariat. Personal information, such as address and telephone number, is essential for linking the submission to its author. If you wish to ensure the confidentiality of your personal information, please submit it on a separate page.

CNSC staff's supplementary submission on this meeting item will be available by December 21, 2016. To obtain a copy, please contact the Secretariat at the coordinates below or request it directly from the website. Further information on the public Commission meeting process is available on the CNSC website.
