

Notice of Public Hearing and Participant Funding

November 18, 2020

Ref. 2021-H-05

CNSC to conduct a public hearing on BWXT ITG Canada, Inc. application for a Class IB licence

The Canadian Nuclear Safety Commission (CNSC) will hold a public hearing on June 9–10, 2021, to consider an application from BWXT ITG Canada, Inc. (BWXT ITG) for a Class IB nuclear substance processing facility operating licence. BWXT ITG is requesting a licence that would authorize it to operate an existing medical isotope facility located within a nuclear substance processing facility in Ottawa, Ontario.

BWXT ITG acquired the Nordion (Canada) Inc. (Nordion) medical isotope business on July 30, 2018. Since then, Nordion has continued to operate the medical isotope facility under its Class IB licence.

Date: June 9–10, 2021
Place: To be determined
Time: As set by the agenda published prior to the hearing date

The public hearing will be webcast live and available on the CNSC website at nuclearsafety.gc.ca.

In advance of the public hearing, the CNSC is making available up to **\$75,000** through its [Participant Funding Program](#). The purpose of the funding is to assist Indigenous peoples, members of the public and stakeholders in reviewing BWXT ITG's application and associated documents, and in participating in the Commission hearing process by providing topic-specific interventions to the Commission. Please note that the \$75,000 will be disbursed among all successful applicants. The deadline to submit a completed participant funding application form to the CNSC is **January 22, 2021**.

BWXT ITG's licence application is posted on its [website](#). BWXT ITG's submission and CNSC staff's recommendations to be considered at the hearing will be available on the CNSC website, or on request to the Secretariat, after **February 24, 2021**.

Pursuant to rule 19 of the *Canadian Nuclear Safety Commission Rules of Procedure*, persons who have an interest or expertise in this matter or information that may be useful to the Commission in coming to a decision are invited to comment on BWXT ITG's application. Requests to intervene must be filed with the Commission Secretariat by **April 26, 2021**, using the [online request form](#) or the contact information below. **The request to intervene must include the following information:**

- a written submission of the comments to be presented to the Commission
- a statement setting out whether the requester wishes to intervene by way of written submission only or by way of written submission and oral presentation
- the requester's name, address, telephone number and email address

All submissions will be available for download on the CNSC website or on request to the Secretariat. Personal information, such as email address and telephone number, is essential for linking the submission to its author. If you wish to ensure the confidentiality of your personal information, please submit it on a separate page.
