

Notice of Participation at a Commission Meeting and Participant Funding

May 25, 2022

Ref. 2022-M-04

Upcoming public meeting on the Regulatory Oversight Report for Uranium and Nuclear Substance Processing Facilities in Canada: 2021

The [Canadian Nuclear Safety Commission](#) (CNSC) will hold a public meeting in December 2022 where CNSC staff will present the *Regulatory Oversight Report for Uranium and Nuclear Substance Processing Facilities: 2021* (UNSPF ROR). The facilities and activities covered by the UNSPF ROR are located in the traditional and treaty territories of many Indigenous Nations and communities.

CNSC staff will provide an overview of the CNSC's regulatory efforts related to the CNSC-licensed uranium and nuclear substance processing facilities in Canada during the 2021 calendar year. The UNSPF ROR will cover the following uranium and nuclear substance processing facilities: Blind River Refinery, Port Hope Conversion Facility, Cameco Fuel Manufacturing Inc., Toronto and Peterborough facilities of BWXT Nuclear Energy Canada Inc. (formerly GE Hitachi Nuclear Energy Canada), BWXT Medical Ltd., Nordion (Canada) Inc., Best Theratronics Ltd., and SRB Technologies (Canada) Inc.

Date: December 15 and 16, 2022
Place: To be determined (Ottawa, Ontario, and/or virtually)
Time: As set by the agenda published prior to the meeting date

The public meeting will be webcast live and available on the CNSC website at nuclearsafety.gc.ca.

In advance of the public meeting, the CNSC is making available up to **\$50,000** in funding through its [Participant Funding Program](#). The purpose of the funding is to assist Indigenous Nations and communities, members of the public and stakeholders in reviewing CNSC staff's UNSPF ROR and in participating in the Commission meeting process by providing topic-specific written submissions to the Commission. Applications for participant funding must clearly demonstrate how the proposed intervention will provide the Commission with information directly relating to the UNSPF ROR and the licensees' safety performance at CNSC-licensed uranium and nuclear substance processing facilities in 2021. Please note that the \$50,000 will be disbursed among all successful applicants. The deadline for submitting a completed participant funding application form to the CNSC is **June 27, 2022**.

The UNSPF ROR will be available for review on the CNSC website, or on request to the Registry, after **September 1, 2022**.

Persons who have an interest or expertise in this matter are invited to comment, in writing, on the UNSPF ROR by **October 31, 2022**, using the [online request form](#), [email](#), or the contact information below. The submission must include your name, address, telephone number and email address. In addition, in the spirit of reconciliation and in recognition of the Indigenous oral tradition for sharing knowledge, the CNSC will offer Indigenous intervenors the opportunity to make oral presentations. Oral presentations may be conducted remotely. **The request to intervene must include the following information:**

- a written submission of the comments to be presented to the Commission
- a statement setting out whether the requester wishes to intervene by way of written submission only or by way of written submission and oral presentation
- the requester's name, address, telephone number and email address

All submissions will be available for download on the CNSC website or on request to the Registry. Personal information, such as address and telephone number, is essential for linking the submission to its author. If you wish to ensure the confidentiality of your personal information, please submit it on a separate page.
