## ***Regulatory Oversight Report for Nuclear Processing, Small Research Reactor and Class IB Accelerator Facilities: 2015***

The Canadian Nuclear Safety Commission (CNSC) will hold a public meeting during which CNSC staff will present its *Regulatory Oversight Report for Nuclear Processing, Small Research Reactor and Class IB Accelerator Facilities: 2015*. This report provides CNSC staff's assessment of Canadian uranium processing, nuclear substance processing, small research reactor and Class IB particle accelerator facilities' safety performance during the 2015 calendar year, and details the progress of regulatory issues and initiatives up to March 31, 2016.

Date: November 9 or 10, 2016  
Place: Town Park Recreation Centre, 62 McCaul Street, Port Hope, ON  
Time: As set by the agenda published prior to the meeting date

The public meeting will be webcast live and archived for 90 days on the CNSC website at [nuclearsafety.gc.ca](http://nuclearsafety.gc.ca).

Through its Participant Funding Program, the CNSC is offering up to **\$25,000** in funding to assist members of the public, Aboriginal groups and other stakeholders in reviewing this report and participating in the Commission meeting process by providing topic-specific written submissions to the Commission. The deadline for submitting a completed participant funding application form to the CNSC is **June 30, 2016**.

The report will be available after **September 2, 2016**. This document is not available online. To obtain this document, please contact the Secretariat at the coordinates below or request it directly from the CNSC website. Agendas, meeting transcripts and information on the public Commission meeting process are available on the [CNSC website](http://www.nuclearsafety.gc.ca).

Members of the public who have an interest or expertise on this matter, or information that may be useful to the Commission, are invited to comment, in writing, on the report. Written submissions must be filed with the Commission Secretariat by **October 3, 2016** using the online request form at <http://www.nuclearsafety.gc.ca/eng/the-commission/intervention> or following the coordinates below. The submission must include your name, address and telephone number.

All submissions are available to the public upon request to the Secretariat. Personal information, such as address and telephone number, is essential for linking the submission to its author. If you wish to ensure the confidentiality of your personal information, please submit it on a separate page.
