Nuclear Safety and Control Act

Offence

- 48** Every person commits an offence who
(d) knowingly makes a false or misleading written or oral statement to the Commission, a designated officer or an inspector;

General Nuclear Safety and Control Regulations

Obligations of Licensees

12 (1) Every licensee shall

- (a) ensure the presence of a sufficient number of qualified workers to carry on the licensed activity safely and in accordance with the Act, the regulations made under the Act and the licence;
- (b) train the workers to carry on the licensed activity in accordance with the Act, the regulations made under the Act and the licence;
- (c) take all reasonable precautions to protect the environment and the health and safety of persons and to maintain the security of nuclear facilities and of nuclear substances;
- (d) provide the devices required by the Act, the regulations made under the Act and the licence and maintain them within the manufacturer's specifications;
- (e) require that every person at the site of the licensed activity use equipment, devices, clothing and procedures in accordance with the Act, the regulations made under the Act and the licence;
- (f) take all reasonable precautions to control the release of radioactive nuclear substances or hazardous substances within the site of the licensed activity and into the environment as a result of the licensed activity;
- (g) implement measures for alerting the licensee to the illegal use or removal of a nuclear substance, prescribed equipment or prescribed information, or the illegal use of a nuclear facility;
- (h) implement measures for alerting the licensee to acts of sabotage or attempted sabotage anywhere at the site of the licensed activity;
- (i) take all necessary measures to facilitate Canada's compliance with any applicable safeguards agreement;
- (j) instruct the workers on the physical security program at the site of the licensed activity and on their obligations under that program; and
- (k) keep a copy of the Act and the regulations made under the Act that apply to the licensed activity readily available for consultation by the workers.

Representatives of Applicants and Licensees

15 Every applicant for a licence and every licensee shall notify the Commission of

- (a) the persons who have authority to act for them in their dealings with the Commission;
- (b) the names and position titles of the persons who are responsible for the management and control of the licensed activity and the nuclear substance, nuclear facility, prescribed equipment or prescribed information encompassed by the licence; and
- (c) any change in the information referred to in paragraphs (a) and (b), within 15 days after the change occurs.

General Reports

29 (1) Every licensee who becomes aware of any of the following situations shall immediately make a preliminary report to the Commission of the location and circumstances of the situation and of any action that the licensee has taken or proposes to take with respect to it: ...

- (j) the occurrence of any of the following events:
 - (i) the making of an assignment by or in respect of the licensee under the *Bankruptcy and Insolvency Act*,
