RE: Bruce Power's CNSC Licence Renewal

The Township of Ashfield-Colborne Wawanosh supports the Bruce Power's 2018 CNSC Licence Renewal for the following reasons:

- Economic opportunities in communities across the Counties including Huron County, given Bruce Power's multi-year, multi-billion dollar investment program.
- Bruce Power is committed to supporting long-term sustainable growth in our community. They recognize that it takes communities working hand in hand with Bruce Power and their supply chain businesses that will help ensure that the Life Extension Program achieves success.
- Bruce Power has played an active role in bringing more investment, skills and opportunities into our community.
- Bruce Power supports our small business communities.
- Many of our residents have family who work at Bruce Power. They are strong advocates for Bruce Power's operations and meaningful contributions to our social and economic health.

Yours truly,
