Vice Presidents:

Dear Sir/Madam,

TERRENCE M. HEALY

We am writing on behalf of the Labourers' International Union of North America (LiUNA) to recommend the Canadian Nuclear Safety Commission (CNSC)'s support of the Canadian Nuclear Laboratories (CNL) request of a one-year license renewal for the Port Granby Project, located in the Municipality of Clarington, Ontario. LiUNA support the one year extension to continue carrying out the duties enlisted in the current license, which expires on December 21, 2021. To remove waste and perform final landscaping and demobilization in the Port Granby Area.

RAYMOND M. POCINO

JOSEPH S. MANCINELLI

ROCCO DAVIS

*Special Assistant to the
General President*

Chartered in 1903, LiUNA has been at the forefront of defending the rights of working men and women who build stronger communities across North America. LiUNA is Canada's largest building trades union representing various sectors of the construction industry, industrial and healthcare sector, united through collective bargaining agreements which ensure members earn competing wages, health and wellness benefits and the opportunity for advancement. LiUNA proudly represents over 140 000 members across Canada committed to representing members through outreach and training, community advocacy, apprenticeship training and providing critical tools for career building opportunities in the skilled-trades. LiUNA is also a strong proponent for community advancement through skills training, working together to amplify opportunities to build an inclusive workforce which will ultimately be at the center of building self-sustaining communities.
