Subject: From École secondaire catholique Jeunesse-Nord Blind River

On behalf of the École secondaire catholique Jeunesse-Nord school community, we wish to underline our appreciation of Cameco Corporation's Blind River refinery.

As a small French-language secondary school, we are able to offer various cultural activities, and offer students the opportunity to take part in sports teams and committees in large part through the support of community partners such as Cameco. Their generous contributions and donations help pay for new team uniforms, sports equipment and transportation for many extracurricular activities and competitions. Also, our community partners have supported many student-led initiatives in the past such as the "Fill-the-crib" campaign which helped collect donations for local families in need.

It is through the support of generous community partners such as Cameco Corporation that ÉSC Jeunesse-Nord is able to teach and shape the future leaders of tomorrow.
