Public Hearing  
June 7-8, 2023

orano

# Introduction

- Orano has operated in northern Saskatchewan for over 50 years
- Orano is joint-venture partner with Cameco in the tandem operation of the Key Lake mill and McArthur River mine
  - Cameco operates the tandem operation
- Orano is very familiar with the Rabbit Lake Operation
- Orano supports the renewal request for 20 year licence terms for each of the facilities

# Environmental Stewardship

- Comprehensive environmental monitoring programs for each facility
  - Strong record of regulatory compliance
- **EARMP**
  - Monitor downstream effects
  - Address concerns related to the safety of water & traditional country foods
  - Selection of sampling locations and sample collection by community members
  - Managed by Canada North Environmental Services Ltd, 100% Indigenous-owned company
- **CBEMP**
  - Monitors the safety of traditionally harvested country foods within the Athabasca Basin

**Findings: independent monitoring programs continue to confirm that traditional foods are healthy and safe to consume**

# Engagement

- Cameco fulfills engagement commitments
  - Public Information Programs
  - Collaboration Agreements
- Engagement records indicate timely and regular two-way communication
- Cameco has a proven record of being responsive to concerns or requests brought forward
  - i.e. reducing the licence renewal request from an indefinite licence to 20-year term
- Employment and economic activities

# Conclusion

- **Cameco is a competent and reliable operator**
- **Systems and programs in place to ensure:**
  - Protection of the environment
  - Health and safety of workers and the public
  - Provision of information to interested parties
  - Proactive engagement with the public
- **Orano fully supports Cameco's request for 20-year term licence renewals for each of the facilities**
